Following the recent meeting of the Executive, (10.8.2009), Ivor Smith has assumed the role of Acting Match Captain, and retains the position of Congress Secretary, while Gavin Strachan takes on the Tournament Secretary position.

Although Ivor will be running the Open team this coming season, he does not feel he is in the position to fulfil all the requirements of the Match Captain's job description (see link below) and will be relying on the support of others.

So far as the Congress is concerned, Ivor has agreed to keep this on, principally due to the difficulty of finding a replacement for this demanding role. He would, however, be grateful for offers of assistance when it comes to the Congress weekend.

The Association is always interested to hear from members willing to assist in the running of its activities. If you would like to help the Association in some way, please speak to any of the Officers.

Prospective candidates should read the Job Descriptions to see what each post entails before putting themselves forward.
