

## Essex Team Blitz Championships 2009

21 July 2009 23:21:06

Held 12th July 2009 at Ilford CC

Controller: Ivor Smith

The morning event, the Team Blitz Championship, attracted only six clubs - eight teams - the lowest ever. This would have been nine teams, however, had Wanstead not been successful in reaching the National Club Major Final, played the same day.

It was, however, very exciting with the result depending on the last round matches, Cavendish v Ilford A and Writtle v Barking A. Ilford took the title, breaking the recent domination by Cavendish.
